

West Milford Animal Shelter

5K Run/Walk

Sunday, May 3rd, 2015

The West Milford Animal Shelter Society, Inc. (WMASS) will be hosting their 3rd annual 5K Run/Walk!!

Formed in 1976, WMASS is a 100% volunteer organization. Every year, we help hundreds of domestic animals seeking shelter, love, attention and veterinary care. We also take in injured or orphaned wildlife.

You are invited to be a visible part of this special event by choosing a level of sponsorship that will help promote your business. By sponsoring us, you will not only be advertising your goods and services, you will be supporting a great cause to help combat and save homeless animals!

This is a community event which will also be USATF (USA Track & Field) sanctioned, which will heighten the appeal for competitive runners. Rain or shine, we expect to exceed last year's turnout of 400+ participants! We hope that you and your business will share in this year's success!

Your generous donation will directly benefit WMASS. *Race entry fees and sponsorships are first used to offset the cost of hosting this event.* Municipal fees, t-shirts, timing, course sanctioning, refreshments and awards are some of the expenses incurred. All remaining funds will help further our mission.
